

FB CUT ABOVE | AKA. FAT BUTT

all he touched turned to gold

A fond farewell to a **LEGEND**... so much more than just a pretty picture and finally... a sire that survived the hype to fulfill the promise his phenotype provides. Siring more high sellers than any other sire in the breed and making phenomenal mama cows with beautiful udders and small teats. Get in on him while you still can - *deemed the "must use" sire.*

Mark Sneed

SIRE: FB Prime Cut (TE McCredie x X339U)
